GOWANS'S ART BOOKS

Nov. 1st, 1908.

Messrs. GOWANS & GRAY ask with confidence for the continued support of this undertaking by lovers of art. It is their hope to be able to cover the whole field of classic painting by including all important artists who were born before the year 1800, and the preparation of new volumes is being carried on steadily and systematically with this end in view.

As new editions of the earlier volumes are required, improvements are being introduced and doubtful pictures replaced by genuine works well-known authorities—whose names are given—being followed in every case. *Rubens*, *Van Dyck*, *Rembrandt*, *Raphael*, *Reynolds*, and *Teniers* have already appeared in this improved form, and the others which require revision are being actively proceeded with.

The publishers hope to accelerate the issue of the series by publishing future volumes at regular monthly intervals, and their efforts will be very much assisted if those who appreciate the books will place standing orders, "till further notice," with their booksellers.

They beg to announce the following:

22. THE MASTERPIECES OF TINTORETTO.
[*November*, 1908.
23. THE MASTERPIECES OF POUSSIN.
[*December*, 1908.
24. THE MASTERPIECES OF PERUGINO.
[*January*, 1909.
25. THE MASTERPIECES OF MICHELANGELO
[*February*, 1909.
26. THE MASTERPIECES OF GOYA.
[*March*, 1909.

Gowans's Nature Books

THE object of these little books is to stimulate a love for nature and a desire to study it. All the volumes of the series that have been issued so far have been very successful, and the publishers hope to be able to maintain the very high standard of excellence which has made this series so well known all over the country. Some of the photographs included in the different volumes are unequalled and unique triumphs of the nature-photographer's art.
